1. Read John 6:1-6. Jesus tested Philip. What was the test? Did Philip pass or fail? Explain your answer.
2. Read John 6:8-9. Did Andrew pass or fail the test? Explain your answer.
3. Who passed the test? How is that an encouragement?
4. Read Mark 6:7-12. What happened just before this that should have encouraged the disciple's faith? Why do you think, just like the disciples, we tend to forget the amazing things God did in our past?
5. What is a scarcity mindset? Why do we approach problems with one?
6. Most of us are remarkably ordinary. Jesus loves to use ordinary people as the heroes in his kingdom. Can you think of a time God used an ordinary Christian for something significant?
7. How does God test us as a church?
8. How does God test us as individuals?
9. What is the divine math we must remember when faced with an overwhelming challenge?
