4. What does Job teach us about the relationship between sickness and righteousness?
5. What does the man born blind in John 9 teach us about how God uses sickness?
6. John Piper made 10 points on how to not waste your cancer, which one is most meaningful to you? Why?
7. When we pray for healing, why should we qualify our prayers for healing like Jesus, "not my will, but yours, be done?"
8. If God chooses not to bring healing, what can we know God will do with our death?
9. While we can't always know if it is God's will to heal, what are promises we can stand on that we know God will do?
